ABOLITION OF WAR

Jews, Gentiles, Protestants and Catholics Meet in a Jewish Synagogue in Pittsburg.

THEY ORGANIZE A NEW SOCIETY.

It is to Promulgate the Doctrine of International Arbitration and Universal Peace.

Messages of Indorsement of the Movement Were Received From President Roosevelt, Secretary Hay and Andrew Carnegie.

Pittsburg, Oct. 14.—Jew and Gentile, Protestant and Catholic, men of the cloth and men whose only religious is an ethical code, filled to the doors Thursday night the Eighth Street temple of the congregation Rodeph Shalom, and amid much enthusiasm founded in Pittsburg a society for the promulgation of the doctrine of international arbitration and universal peace.

From representatives of religious and from educators came indorsement of the movement. Added to their pleas in behalf of the abolition of war were messages of indorsement from President Roosevelt, Secretary of State John Hay and from Andrew Carnegie.

The highest expectations of Rabbi J. Leonard Levi, of the congregation who issued the call for the meeting, were more than realized by the large attendance and the results achieved.

The principal object of the meeting was attained when a set of resolutions presented by Rabbi Levi was adopted by a rising vote. The resolutions tender to President Roosevelt the best thanks of the meeting for his word of encouragement and for his humane endeavor in behalf of the cause of international arbitration and universal peace and solicit the chief magistrate's further help in behalf of the cause; return grateful thanks to John Hay, secretary of state, for his inspiring message delivered to the 13th International Peace congress at Boston and ask a continuance his powerful influence.

The closing resolution eulogizes the presiding officer and the various vice presidents of the meeting to form themselves into a committee to be convened by the mover of the resolutions and that they take steps to effect an organization with headquarters at Pittsburg, which shall have for its chief object the creation of public opinion and the strengthening of the sentiment in behalf of international arbitration and universal peace.

Chancellor Samuel B. McCormick, of Western university of Pennsylvania, presided. Addresses were made by John Wanamaker, Rev. Charles Wagner, of Paris; Prof. X. Koenig, of the University of Bordeaux; Dr. W. Evans Darby, secretary of the British Peace society; Joseph Elkington, Philadelphia; Prof. Barrett, of Harvard university; Rev. A. A. Lambing, Josiah Cohen, Rev. S. Edward Young.

ARCHBISHOP OF CANTERBURY.

He Was the Guest of Honor of the Pilgrims of the United States.

New York, Oct. 14.—The Archbishop of Canterbury was the guest of honor at a dinner given Thursday night by The Pilgrims of the United States. Over the guests' table were draped the American and English flags, and on the tables were twined oak leaves. Bishop Henry C. Potter was toastmaster. The 150 guests included Gov. B. B. Odell, the Bishop of Ripon, J. P. Morgan, Perry Belmont, Gen. Joseph Wheeler, Gen. Stewart L. Woodward and Brig. Gen. Frederick D. Grant.

The archbishop, in bidding farewell to America, said he had expected to be received in church circles with cordiality, but that this cordiality should have extended to so many other quarters was an agreeable surprise to him.

TWENTY-TWO STORIES HIGH.

Chicago is to Have the Largest Hotel in the World.

Chicago, Oct. 14.—Chicago is to have the largest hotel in the world. It will cost \$10,000,000, be twenty-two stories high and dwarf in size and magnificence, it is promised, any structure of the kind ever erected. The builders and owners will be a syndicate of Chicago and Eastern capitalists. The hotel will occupy property measuring 400 feet in length by 171 feet in depth in Michigan avenue, two blocks south of the Auditorium. Steel construction will be used in building the new hotel.

London, Oct. 14.—A dispatch from St. Petersburg to a news agency here reports that the Baltic fleet sailed from Libau Thursday evening.

ASYLUM SCANDAL.

The Indictments Against Bush and Smith Were Dismissed.

Hopkinsville, Ky., Oct. 14.—On motion of the commonwealth attorney the indictments against Superintendent of Board and Commissioners Bush and Smith, of Western Kentucky asylum for the insane, in connection with the presentation of two helpers to State Senator Richardson for aiding in getting \$75,000 appropriated for the institution, were dismissed Thursday afternoon.

The other cases will be prosecuted. The asylum records showed that Bush and Smith were not present at the board meeting when the gift was authorized, and according to the statutes, the superintendent has no authority in disposition of asylum property.

The indicted commissioners claim the cows were given to the senator after the adjournment of the legislature, and the present had no bearing on his action in supporting the measure.

LEWIS MITCHELL INDICTED.

James Mulligan is Exonerated in the Poisoning Case.

Lexington, Ky., Oct. 14.—The grand jury reported that it had been unable to find any evidence to connect James J. Mulligan with attempted poisoning of the family of Judge James H. Mulligan. The report was made after long and exhaustive review of the case, in which all the Mulligan family gave information.

The jury returned an indictment against Lewis Mitchell, the Negro, who confessed he placed poison in salmon, on the charge of "malicious attempt to poison."

The report specifically said in its exoneration of young Mulligan that "no one else except Mitchell had any connection with the crime."

This also exonerates any others who were under suspicion.

FOUND DEAD IN BED.

Niece of a Bank President Had a Pistol Gripped in Her Hand.

Russellville, Ky., Oct. 14.—Miss Hester Duncan was found dead in bed Thursday morning, with a bullet in her head and a pistol gripped in her hand. She did not come down to breakfast and a member of the family went to awaken her. The door was locked and after repeated knocking and no response, it was broken open. The family believe that the shooting was accidental as she was very timid and always had a pistol in her room. However, it is alleged that she has been despondent since the accidental death of her brother George last year. She was a daughter of the late Russell Duncan, of Nashville, Tenn. She was living here with her uncle, Geo. B. Edwards, president of the Deposit bank.

Second Suit For Divorce.

Newport, Ky., Oct. 14.—Joseph A. Andrews, wealthy president of the Newport Rolling Mill Co., has filed a second suit for divorce against his wife, Lucassia B. Andrews. They were married in 1865. The petition asserts Mrs. Andrews is incurably insane, and since February, 1903, has been confined in a sanitarium at White Plains, N. Y.

Frank Brown to Marry.

Newport, Ky., Oct. 14.—Frank Brown, who looted the German national bank of \$191,000, and is now an exile in Honduras, is to be married. That is the story that comes from that far away land to his parents. The lady in the case is a Miss Warren, an English woman.

Killed Father With a Corn Knife. Mayfield, Ky., Oct. 14.—During a fit of insanity Jesse L. Green killed his father, John W. Green, with a corn knife. They lived four miles from Mayfield and were cutting corn, when a dispute arose. The son struck his father in the temple with the knife.

Kentuckian Dies in Mexico.

Paducah, Ky., Oct. 14.—News was received of the death at Monterey, Mex., of Lowry Gant, formerly of Paducah, but a native of Hopkinsville. He died of consumption, aged 23 years, and the remains will probably be brought to Kentucky for burial.

Louisville Tobacco Market.

Louisville, Ky., Oct. 14.—Tobacco sales Thursday were small and featureless. Four fairly colored new crop burley hogsheads were sold at prices ranging from \$7.90 to \$11.34. This tobacco was in splendid condition considering the time of the year.

Won the Kentucky Stake.

Lexington, Ky., Oct. 14.—Grace Bond won the Kentucky stake in two straight heats, breaking the stako record in each heat. Time, 2:10 3/4, 2:10 3/4. Lord Revelstoke got second money.

IN FULL RETREAT.

After Two Days Heavy Fighting the Russians' Resistance Was Broken by the Japs.

LOSS WAS HEAVY ON BOTH SIDES.

Russians Made Desperate Counter Attacks Against Left Flank and Were Severely Repulsed.

Gen. Oku's Left Army Alone Bagged Twenty-Five Guns—There Are No Signs of the Big Engagement Slackening.

London, Oct. 14.—The Standard's correspondent in the field with Gen. Kuroki, telegraphing on October 11, says: "After two days' heavy fighting the enemy's resistance was broken this afternoon and the Russians are now in full retreat."

Tokio, Oct. 14.—It is yet too early to measure the results of the tremendous struggle which has been waged for the past three days south of Mukden, but all reports reaching Tokio indicate that Gen. Kuropatkin has been decisively whipped and severely punished. The Russian commander was evidently caught while making his dispositions with his forces scattered and he was beaten before he could recover. Much depends on the ability and the resolution of the Japanese in applying and following up their advantages. Kuropatkin may turn up in favorable ground and succeed in beating back the Japanese onslaught, but the tide seems against him.

The Japanese Wednesday began a desperate effort to turn the Russian right and if this effort should be successful it will carry disaster to the Russian arms.

The struggle around Benschu is being followed with intense interest here. The Russian force there is estimated at 5,000 and its isolation or loss would be a severe blow.

Estimates of the total forces engaged vary. One telegram from Liao Yang says that the Russians have 200,000 men, with 1,000 guns. The Japanese force exceeds the number engaged at the battle of Liao Yang.

The latest telegrams from the front indicate the continuation of Japanese success. Gen. Oku's left army alone bagged 25 guns. The Russians made two desperate counter attacks against the Japanese left but were repulsed with heavy slaughter. The Japanese commanders in their reports give expression to their admiration of the valor of the Russians.

The Manchurian headquarters in a telegram sent Thursday reported as follows:

"Since the last report our right army has been containing a vigorous pursuit of the enemy towards the north. The column which was dispatched in the direction of Shihchiao Tsu to intercept the result of the enemy from Benschu continues its operations."

"The central army continues its attack on the Russians and expects to occupy the line between Tungshankou and Huchiakuchlatzu. The enemy in this direction appeared to retreat continuously until dusk Wednesday evening."

St. Petersburg, Oct. 14.—Desperate fighting and heavy losses on both sides, with varying reverses for the Russians is the summing up of the situation by Gen. Kuropatkin in a telegram filed on October 13. There is no sign of the battles slackening. On the contrary Gen. Kuropatkin telegraphs that he had ordered the army to resume the fight with unabated vigor Friday.

Gen. Kuropatkin is in the thickest of the fighting, and Gen. Sakharoff, his chief of staff, is personally directing reconnaissances. The conflict has been most desperate at the center and on the west flank. The advance guards at those points had to be repeatedly reinforced, owing to the great pressure of the Japanese attacks. At nightfall on October 12 the Russian right was withdrawn from its main positions, but one of the abandoned positions was retaken at the point of the bayonet during the night.

Bombarding Port Arthur.

St. Petersburg, Oct. 14.—Gen. Stoessel, commander of the Russian troops at Port Arthur, telegraphs that the Russians recently recaptured Signal Hill. He added that the Japanese are bombarding the interior of the fortress with new batteries and that the bombardment is becoming more and more violent.

Brothers on Trial For Murder. Covington, Ky., Oct. 14.—The case of the commonwealth against Lawrence and Sherman Hardin was begun Thursday. The defendants are charged with involuntary manslaughter in the killing of Thomas Steers, a C. & O. detective.

MAJ. GEN. CORBIN.

Sails For Manila to Relieve Gen. Wade as Commander in the Philippines.

San Francisco, Oct. 14.—The Pacific mail steamer Mongolia sailed for the Orient Thursday with a full cargo, the largest item of which is flour consigned to Shanghai. Among her passengers were Maj. Gen. Corbin and Capt. J. A. Moss, his aide.

Gen. Corbin goes to Manila to relieve Maj. Gen. Wade as commander of the

Maj. Gen. Henry C. Corbin, U. S. A. army in the Philippines. He is accompanied by his wife. Fifty government employes also sailed for Manila. Tan Yekey and Jsang Hse Nun, appointed by the Chinese government as a trade commission, are returning with their report.

Des Moines, Ia., Oct. 14.—More than \$300,000 was given to various public charities, schools and churches by the late James Callanan, of Des Moines, whose will was opened and read on Thursday afternoon. At the head of the entire list is Talladega college, which receives \$100,000. Other bequests follow:

The remainder of \$3,000,000 estate goes to collateral heirs in varying amounts.

PULMONARY TUBERCULOSIS.

Dr. S. A. Knoff Says It is a Curable and Preventable Disease.

Indianapolis, Ind., Oct. 14.—Before a large audience in the assembly room of the Claypool Thursday Dr. S. A. Knoff, of New York city, lectured on pulmonary tuberculosis and the possibility of its eradication. The lecture was given under the auspices of the National Underwriters' association.

In speaking of the cure of consumption, which he defined as a curable and preventable disease, the doctor said:

"Consumption can not be cured by Christian science, the faith cure or specific medicines. It can be cured by the judicious use of God's pure air, sunshine, good food and good water, both within and without, and proper medical supervision."

"Everybody should have pure air 24 hours each day. Night air is even better than the air we get during the day, and the sleeping room should be well ventilated."

PAUL H. SCHMIDT ARRESTED.

He Admits Killing a Man at Sherman, Ct., Last August.

New York, Oct. 14.—Dispatches from Paducah, Ky., tell of the arrest of Paul Herbert Schmidt, 20, whose parents live in New York, and who, it is said, admits killing William Taylor on August 22, at Sherman, Ct. Taylor, who was in the employment of William H. Crittendon, of New York, on whose farm in Connecticut the killing was done, discovered Schmidt ransacking Mr. Crittendon's country home, it is said. Schmidt turned on Taylor and crushed his skull with the butt of a shotgun. Schmidt then fled. Schmidt was arrested on Tuesday and gave the name of Gardner, but later admitted his identity, and, it is said, confessed that he killed Taylor.

Kansas City, Mo., Oct. 14.—Fire destroyed three buildings of the plant of the United Zinc and Chemical Co. at Argentine, Kan., a suburb, causing a loss estimated at \$100,000. The storage buildings were saved.

SMUGGLED GOODS.

Thousands of Dollars Worth Seized by Officials at Norfolk, Va., Custom House.

CAME FROM PERSIA AND TURKEY.

The Were Found on Naval Collier Hannibal and Secretary of the Navy Will Investigate.

All of the Stuff is Consigned to People in the United States at Places From Maine to North Carolina.

Norfolk, Va., Oct. 14.—A seizure by customs officers of Turkish and Persian goods valued at thousands of dollars, which were brought from Europe by the naval collier Hannibal has created excitement in naval circles. The affair is now in the hands of the secretary of the navy for investigation.

The information leading up to the seizure came in the form of an anonymous letter to the authorities before the Hannibal reached this port some days ago from Gibraltar. Capt. Easton, commanding the collier, declined to make any statement Thursday night, more than to say:

"No smuggled goods were brought into port, it was not intended to smuggle any goods here."

The seizure was made by Special Agent Donnelly, acting under instructions from Washington. All the seized goods were taken to the navy yard and examined. After the stuff had been inspected at the yard it was transferred to the vaults of the custom house. Adm. Harrington, it is understood, at once reported the affair to Washington.

A government official says the collier's commander reports that it was reported to him that the goods were second hand, and would be exempt from duty. When the boxes and cases were opened the goods were found to bear the marks of manufacturers.

All of the stuff is consigned to people in this country at places from Maine to North Carolina.

PREACHER IN THE TOILS.

He is Charged With Using the Mails to Defraud.

Pittsburg, Oct. 14.—Homer Luther McKimney, of Freeport, Pa., a Methodist preacher was arrested by post office inspectors on a charge of using the mails to defraud. McKimney, it is alleged, under the aliases of "Mary Robbins" and "Anna Hull", secured various sums of money from matrimonially inclined men throughout the United States who thought they were corresponding with a woman. The arrest was made on information given by William Telleys, of Eureka, Cal., a wealthy fruit grower, who says he mailed "Mary Robbins" \$50 to defray her expenses to Eureka, where she was to marry him. "Mary Robbins" is said to have dupes in all parts of the country.

AMERICAN NAVAL OFFICERS.

Were the Guests of Honor at a Dinner of the Welsh Regiment.

Gravesend, Eng., Oct. 14.—The officers of the American European squadron were the guests at a dinner of the Welsh regiment, Thursday night. Rr. Adm. Jewell made a speech, in which he said he desired to repudiate the statement that he and his fellow officers had received scant attention in England. On the contrary, he said on every side they had received more marks of consideration than they could possibly have expected.

TWO ELOPERS.

They Were Found With Bullet Holes in Their Heads.

Richmond, Va., Oct. 14.—Miss Besie Stone and Robert Gill, who eloped from Ashland Tuesday, were found dead with their hands clasped near a pond in that vicinity Thursday by a searching party. A bullet hole in the head of each told the story of supposed double suicide, or murder and suicide. Gill had taken off his coat and vest. The indications are that he killed the girl and then shot himself.

For Congress,
JAMES S. KEHOE
of Mason County.

Weather Forecast.

Fair to-night and Saturday; warmer Saturday.

UNDER Republican rule wages have decreased fully 10 per cent., while the cost of living has materially increased. The "full dinner pail" which did such yeoman service for McKinley has been retired from active service. The workingman can no longer be deceived by this cheap device.

TO DATE our occupancy and assertion of sovereignty in the Philippines has only cost us \$647,000,000. That is not much if you say it right quick. What does Theodore I care for six or seven hundred millions wrung from the taxpayers so long as he can affect the airs of an Emperor and pull the reins over a world power, even if he drives it pell mell to destruction.

NO MATTER whether you work in the mine, on the farm, or at a desk, whether your wages are only one dollar a day, as in some of the manufacturing establishments that flourish under the tariff, you still contribute every year to the protected trusts the sum of \$94. You and your fellow citizens are mulcted out of this amount annually that Morgan and Rockefeller and other disciples of "frenzied finance" may add to their millions. A vote for Roosevelt means a vote to continue this ever-increasing burden. A vote for Parker means a vote to lift it from your bowed shoulders forever.

PRETEND TO BE SCARED!

There is but one danger that confronts the Democrats of the Ninth district—Overconfidence.

Bar that single element from the Congressional race, and Mr. Kehoe is on Easy street.

It is all right to poke a little fun at the enemy and talk about 3,000 majority, but when we get serious you are bound to admit that, this being a Presidential year, it will take earnest and united effort on the part of the Democrats to bring about an overwhelming victory.

The hues are differently drawn in a National election. Many who would be influenced by local conditions or personal preference to vote for Mr. Kehoe are very loyal to their National ticket. This fact makes figuring on an extravagant majority a trifle uncertain.

That Mr. Bennett will be defeated seems positive, but it is a great mistake to take things for granted in a political battle.

The sure way to make the majority big is to hustle yourself and see that your Democratic neighbor does likewise.

Don't just think that Mr. Kehoe will win; work to bring his success about.

Let's all pretend to be real scared!

FEDERAL OFFICERS

Alleged to be Party to the Dastardly Conspiracy Against Governor William Goebel.

The report that the Franklin County grand jury at the special session called for next month by Judge J. D. Carroll will take up the conspiracy to assassinate Goebel, and that Commonwealth's Attorney Franklin will submit additional evidence, which is said to involve Federal officials, has caused consternation.

It is known that detectives are in Lexington working on the case, and some sensational developments are expected. The utmost secrecy is maintained in regard to the identity of the persons suspected.

Honest men do not become offended when asked to pay cash. The dead beats are the fellows whose feelings are set on a hair trigger.

Carlisle Mercury: "Hon. James N. Kehoe, our able young Congressman, addressed a big crowd at the court house in this city last Monday, and enthused the faithful. Always a ready and able speaker, Mr. Kehoe never fails to hold his audience in closest attention. Old Nicholas ought to give Mr. Kehoe her 600 majority, and will do so if the people will come out and vote. Let no Democrat fail to do his duty."

TOBACCO RAISERS.

What the Growers' Association Offers to Do For the Farmers in the Burley District.

Dover News: "The Tobacco Growers' Company offers farmers an advance of an average of 4 cents over what the combine has been paying for the last three years.

"In addition it offers them a share of the profits above that price.

"It furnishes the necessary capital to pay each farmer on delivery for his tobacco and to hold it until after a fair price is realized, and let the raiser share in the increased price.

"It gives poor and rich alike the opportunity to hold the crop and demand a fair price.

"It puts every farmer in the attitude of a free American citizen instead of a slave.

"That is the way a thinking farmer looks at it, and there are enough of them to make the association a success. True it is a little annoying to see a few brother farmers and even one newspaper [The Brooksville Review] in the tobacco district taking sides with the combine against the producers and profiting by the success of the association they condemn, but it is reassuring to see the big-hearted, brainy, broad-minded yomenny of the tobacco district standing together for right and independence, which can only be accomplished by such thorough organization and financial backing as is possessed by the growers' association."

Services preparatory to the communion season of next Sabbath will be held at the Central Presbyterian Church to-night.

Miss Moss, who was seriously ill during her visit at Newport News and Norfolk, Va., the past summer, has returned to Lexington much improved in health.

Mr. George Keith, candidate for the Democratic nomination for Assessor, and his prospective deputy, Mr. Owen Pickrell, were interviewing the Doverites Monday.

The Court of Appeals has sent back the case of House vs. City of Covington for trial on its merits. The action is for \$5,000 damages because of injuries received by Mrs. House by a fall. The accident was due to an uneven construction of the sidewalk, one part being three inches higher than in front of the property adjoining. She was walking along, tripped over the break and fell, injuring her right leg. When the case came up for trial in the Circuit Court, it was taken away from the jury and dismissed on the ground that the city can not be held for damages caused by any such unevenness of sidewalk grade. The Court of Appeals holds that the city is liable.

Mr. A. S. Carter, aged sixty, of Cyrtiana, left St. Louis and the World's Fair with \$850 in his possession. On his return, the old gentleman became impatient at the slow gait of the train and announced that he proposed to get off and buy an automobile. He was prevented from leaving the train before it reached the city, where he eluded his wife. Mrs. Carter hurried to the police station, told of her missing husband and the \$850 and the old gentleman's desire to buy an auto. A search resulted in the discovery of the old gentleman, just as he was completing the purchase of a new gasoline buggy. The sale was shut off, but, as he refused to go to Central Station except in the auto, he was accommodated. The ride pleased him, and he left for Cyrtiana happy and contented.

PRETTY HOME WEDDING.

Kilgore-McCall Nuptials Celebrated at
Bride's Residence on Lawrence
Creek.

On the afternoon of the 12th, at the home of the bride on Lawrence Creek, a very pretty wedding was witnessed by the many friends of the contracting parties.—Mr. Charles Kilgore and Miss Sallie McCall.

The attendants were Mr. Eldon Kilgore, a relative of the groom, and Miss Nettie Tally of Mayslick, a cousin of the bride.

The beautiful and impressive ceremony was performed by Elder W. W. Hall in his usual graceful manner. The bride made a striking appearance, gowned in white chiffon elegantly trimmed with lace. The groom was dressed in the conventional black. The bridesmaid looked extremely pretty in a beautiful white organdie with pink ribbons.

After the congratulations of friends the bridal party and guests repaired to the dining-room where delightful refreshments were served.

The couple were the recipients of many useful and beautiful presents.

The Revival Services.

A large congregation assembled at the Third Street M. E. Church last night, which was the initial service of their revival. Evangelist Davidson led the singing, also singing a solo, which was highly appreciated by the audience. The pastor preached a sermon on "Lost and Found, which was well received. Services to-night at 7:15, the first fifteen minutes being a song service. Mr. Davidson will give a solo to-night, entitled, "The Name of Jesus." You are welcome.

Growing Fame.

A gentleman who was present at the recent meeting of the Mississippi Valley Medical Association writes that the attendance was large and every member wore upon the lapel of his coat an ivory button with the portrait of Dr. Daniel Drake, the famous Kentuckian who stands to the Mississippi Valley as Benjamin Rush stood to the Atlantic States. Another Mason County man to be remembered in connection with the great exposition at St. Louis!

William Hampton and wife, colored, left Catlettsburg a few months ago with their two children to become servants of Dowle. They claim to have followed the big fraud on his trip to South America, both of their children dying on the way. They did not become converts to Dowleism, however, and soon tired of him and started back home. They passed through Dover Monday, claiming they had walked over 3,000 miles.

Chambers and Miss Orta Browne were united in the holy bonds of wedlock, the Rev. J. A. Francis, pastor of the Cumberland Presbyterian Church, performing the ceremony, in the presence of the family and a few immediate friends.

Water is about as scarce an article as the farmers have to deal with at present. Some have sold part of their stock on account of the scarcity, others are driving the animals some distance to water and some are hauling water for other purposes.

Jerome Thomas, a colored boy, while hunting, found a counterfeit's die on the C. and O. railroad track near Lexington. It was near the spot where the forty counterfeit silver dollars were found about a month ago, and later a die. The outfit probably belonged to the gang who were "shoving the queer" in this section about six weeks ago.

Under a special dispensation granted by Bishop McClosky of Louisville, Joseph K. Arvin and Valeria Hayden, first cousins, were married at Owensboro in St. Paul's Roman Catholic Church. The dispensation was granted on the ground that Miss Hayden had passed two score and reached the period of a woman's life when dreams of maternity cease to flit through the feminine mind.

The fall term of the United States Court at Covington will be convened by Judge Cochran Monday morning. A case of local interest on the docket is that of the Coney Island Company against Wyandotte Tribe No. 3, I. O. R. M., of this city. The litigation, it will be remembered, grew out of the refusal of the Redmen to pay for something they didn't get in the way of refreshments on the occasion of the tribe's steamboat excursion about eighteen months ago.

The postal car that was to have been attached to C. and O. train No. 2, due here at 1:30 p. m., was derailed Thursday morning at Cincinnati while being switched about upon the trestles which carry the tracks over other railway lines and the streets and buildings below, and by the merest fraction of a second the lives of four clerks at work in the car were saved from falling into the street forty feet below by the end of an iron girder upon an adjoining bridge. Here it remained suspended over the payment until the men had made their escape.

Talk About the Best Field Fence

And you're bound to mention the "American." Its merits have been widely discussed and are familiar to those who have given it a trial. As a stock and all-purpose fence it must be acknowledged that it has no equal in the world. Made of large, strong, high-grade steel wires, heavily galvanized. Amply provides for expansion and contraction. Is practically everlasting and never goes wrong, no matter how great a strain is put on it. Will not mutilate, but does efficiently turn cattle, horses, hogs and pigs. Used as a division fence in towns or cities, the "American" is handsome, efficient and inexpensive. Every rod guaranteed by the manufacturer and by us. Call and see it. Can show you how it will save you money and fence your fields so they will stay fenced. **Prices lower now than ever before.**

Mr. Eliae Scudder, nurseryman, residing at 215 Casto street, says: "I had a good deal of pain at times in my right kidney and it constantly grew more persistent. When I learned of Doan's Kidney Pills I could hardly sit down in a chair, or rise without placing my hands to my back, and should I thoughtlessly bend over, it pained me severely to straighten. I procured Doan's Kidney Pills at J. Jas. Wood & Son's drugstore, corner of West Second and Market streets, and their use affected an absolute cure."
